9th ANNUAL Ride 4 thEM

JULY 28th, 2018 9am-5pm

Pymatuning State Park ~ Main Beach
5354 Pymatuning Lake Rd. Andover, OH
ride 4them.org

A little bit about Ride4thEM ...

Chet turned 50 in 2010 and had set a goal for himself to ride 200 miles on his bike in ONE DAY! While we were discussing his strategy I honestly couldn't see all that hard training and the effort and energy being used only for him to say "I did it"! So, I mentioned that instead of doing a Double Century "just because," why not do it for a cause?!

That February Kim and Kenny Hunt found that their 10 year old daughter Emily was diagnosed with Leukemia for a second time! Obviously this put a lot of emotional stress on the family and needless to say a heavy financial burden as well. We believe the Lord specifically put them on our hearts! We shared our vision with a few gals and we all ran with it. Therefore Ride4EM was born.

I sent letters to anyone I knew and did business with, asking them to sponsor Chet in his ride in order to raise money for Emily's family. (Although not necessary, but why our "distance" riders take sponsorships) The rest of our team got together a 5K run/walk, and a Sand Volleyball tournament, kids bounce house, and a full course meal. We have since grown and added more events.

Emily wanted to help others so because of EM Ride4EM was riding again and our name was easily changed to Ride4thEM.

After that decision in 2011, Emily has had a very tough journey! But through prayer and our miracle working God, awesome doctors and nurses she is truly a survivor in many ways!!! In 2014 she had a successful T Cell Transplant in Philadelphia. She graduated in 2017 and is now a student at Kent State University. She also actively serves on our team. We are so very proud of her!

We are now in our 9th year! Thank you to all our continued supporters!! Because of you, to date we have been honored to bless 24 families.

We do this ... Because there will always be a thEM!
