The fingerprints of koala bears are virtually indistinguishable from those of humans, so much so that they can be easily confused at a crime scene.

## Town Shopper Advertiser's Testimonials:

**Dollar for dollar, my best advertising decision.....EVER!!**

**Brenda Kintop, Treasures AT THE LANGSHAW**

**"We advertise in many publications. Town Shopper has been our Best RETURN ON INVESTMENT, with 6-10 walk-ins a month. Who doesn't want that?"**

**Joanie Keehn, Licensed Insurance Agent @ health markets**

I have been advertising with Bernie (Town Shopper) since I opened in Madison back in January. Two things I have found, first Bernie is a joy to work with, she is passionate about her advertising and that comes through during every interaction. Secondly, people love to see the coupon on a monthly basis. When I have customers come in that own or run other businesses, I always recommend advertising with Bernie.
